

# Get the BEST from your PEOPLE

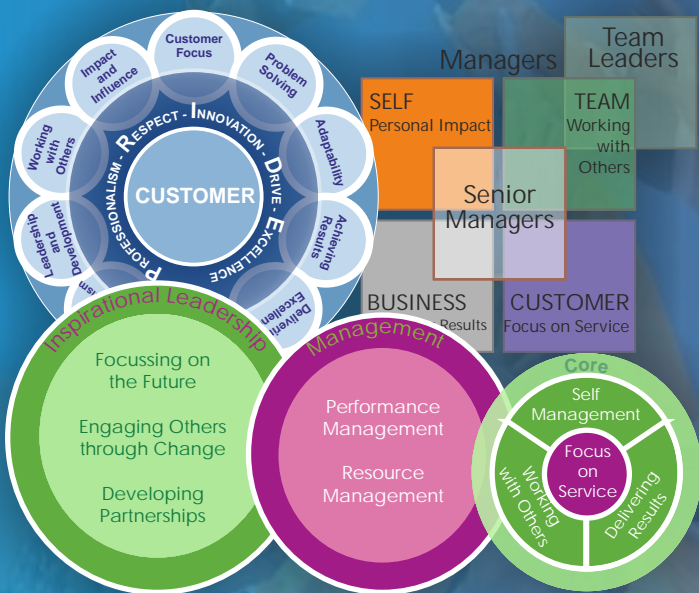

We offer the tools and specialist consulting service to help you to **measure** the **performance** and **behaviours** that **enable** you to get the **best** from your people

## Effective Leadership?

How effective are your leaders?

Use our managed 360 Feedback service to identify the strengths and key areas for development of your leaders – enable them to drive your organisation forward through effective performance management

*Globus360*

## Employee Engagement?

How happy are your employees?

Use our interactive programme to evaluate their engagement, track objectives, and build on their commitment to your organisation – motivate them to develop their skills with our Speed Training Toolkit

*Globusengagement*

Performance – Up to 20% improved performance without asking people to work harder or longer

Productivity – Improve morale, productivity and the bottom line

Retention – Radically improve staff retention and low absenteeism

Service – Improve customer experience

**Employee Engagement Workshops:** Thursday 18th November 2010 (AM or PM sessions)

Latest research, strategic overview, hands-on experience, networking with other HR Professionals  
Led by internationally renown speaker Shay McConnon, author of "An Even Better Place to Work"  
Free to attend - Institute of Directors, Pall Mall, London UK
